Re: Joseph Birch v. E. I. du Pont de Nemours and Company, Inc.,
C.A. No. 05-799-JJF

Dear Judge Farnan:

I am contacting you to request more time in preparation of my case against DuPont Co. Inc. Fermentation Research Facility.

Witnesses which had been established to represent me in this case have been deterred and distracted.

It is to my understanding, "DuPont Officials" have required all colleagues and co-workers that worked in the laboratory with me and personnel who had any association with me sign a letter or form yielding them to not have any further correspondence and/or communication.

I was informed of this by one of the potential witnesses for my case.

As such, it has been difficult to maintain the schedule which the defendants' counsel have presented and outlined.

I do understand the urgency to move forward expeditiously, and certainly apologize for any inconvenience resulted.

To date, I have secured representation that is still performing review of my case.

Thank you for your time and consideration concerning this matter.

Joseph Will Birch
